This Verification of Deltapath Compatibility signifies that the Polycom products listed have undergone interoperability testing together with Deltapath, based on testing criteria set by Deltapath. Polycom is solely responsible for the support and warranty of its product. Deltapath makes no warranties, express or implied, with respect to the THIRD PARTY product or its interoperation with the listed Deltapath product(s) and disclaims any implied warranties of merchantability, fitness for a particular use, or against infringement. Deltapath has the right to revoke this verification of compatibility at any time. This certificate is valid until the Deltapath product has reached End of Support (EOS).
