Welcome

At the Herdon Executive Experience Center, you will see how our industry-leading video solutions, tightly integrated with our partner solutions and powered by Polycom® RealPresence®, are transforming the way people collaborate.

The Executive Experience Centers (EEC) offer customized executive briefings that address your unique business challenges, build and maintain relationships with key Polycom executives and subject matter experts, and detail how Polycom's innovative technology can change the way your organization operates.

We customize your executive briefing to address the business challenges you face today, and the ones you anticipate for tomorrow. By bringing together the right people and resources to address your market, your briefing enables us to explore long-term business opportunities together.

When you visit the Polycom Executive Experience Center, you will

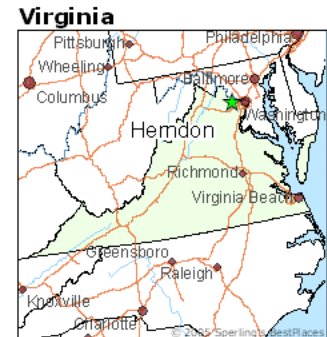

- Talk with Polycom senior leaders and solution experts in person and over video
- See how RealPresence® Immersive Studio, Office, and Mobile Solutions help Polycom and its customers collaborate every day
- Experience immersive use-case scenarios specific to your industry and interests
- Learn how the unique open-standards approach of Polycom® RealPresence® ensures interoperability with hundreds of UC, business, and social networking applications, bridging silos to truly unify communications across the enterprise
