Version 10.5

This Verification of Cisco Compatibility signifies that the Polycom products listed have undergone interoperability testing together with Cisco, based on testing criteria set by Cisco. Polycom is solely responsible for the support and warranty of its product. Cisco makes no warranties, express or implied, with respect to the THIRD PARTY product or its interoperation with the listed Cisco product(s) and disclaims any implied warranties of merchantability, fitness for a particular use, or against infringement. Cisco has the right to revoke this verification of compatibility at any time. This certificate is valid until the Cisco product has reached End of Support (EOS).
