

10 Reasons to Love Polycom® RealPresence Clariti™

1

ANY DEVICE, ANYWHERE

Visually connect colleagues from any device and any location. From smartphones, tablets, or laptops to huddle spaces, conference rooms and immersive telepresence, RealPresence Clariti connects everyone.

2

VIRTUAL MEETING ROOMS

Always have a place to meet with as many people as you want. With RealPresence Clariti, you can create up to 375,000 virtual meeting rooms.

3

SCHEDULE & JOIN

Schedule a meeting in your calendar as you always do. Joining a meeting is as simple as pushing a button in a room or one click on your personal devices.

4

SHARE & INTERACT

Sharing content shouldn't be complicated. You can upload documents ahead of a meeting for seamless transitions or use virtual whiteboards for ad-hoc brainstorming sessions.

5

Skype for Business

BROADEST INTEGRATION & INTEROPERABILITY

RealPresence Clariti provides unmatched Skype for Business integration for a better room video experience. Integrate video into your other applications with APIs.

6

PROVISION, MANAGE & MONITOR DEVICES

Centrally manage your voice & video devices with a customizable dashboard. Quickly identify any issues and remotely troubleshoot devices to minimize support tickets.

7

ANALYZE USAGE

Measure usage within your organization to determine ROI or where additional adoption tactics may be required. Tie usage to sites, departments, devices or billing codes.

8

CONNECT SECURELY

Our effective firewall traversal removes communication barriers and enables internal and external teams to collaborate more easily and effectively over video while keeping your data secure.

9

SIMPLE LICENSING INCLUDES EVERYTHING

Licensing is based on number of concurrent users and you receive full entitlement to the entire RealPresence Clariti platform.

10

INSTALL & DEPLOY THE WAY YOU WANT

Deploy on-premises, in your cloud or with our privately managed cloud service. Implement via hardware or virtualized application. Subscription or perpetual models meet your budgetary requirements.
